FALL RODENT

PREVENTION CHECKLIST

Walk the property and look for access and attraction points:

- ☐ Inspect garage-door corners and bottom seals
- ☐ Check crawlspace vents and screens
- ☐ Look at rooflines, eaves, and attic vents
- ☐ Seal or flag pipe and wire penetrations
- ☐ Move stored items off garage walls
- ☐ Secure pet food and bird seed
- ☐ Reduce clutter in garages and storage rooms
- ☐ Trim branches away from rooflines
- ☐ Review trash and compost areas

Schedule a rodent inspection
if signs are already present.
